

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

BRYAN LEE,

Defendant.

**4:22CR3077**

**ORDER**

Defendant Bryan Lee has moved to continue the pretrial motion deadline and conference call (Filing No. 149), because defense counsel and defendant need additional time to prepare any pretrial motions. The motion to continue is unopposed. Based on the showing set forth in the motion, the court finds good cause has been shown and the motion should be granted. Accordingly,

IT IS ORDERED:

- 1) Defendant Lee's motion to continue, (Filing No. 149), is granted.
- 2) Pretrial motions and briefs shall be filed on or before June 26, 2024.
- 3) The conference call previously scheduled to be held on June 20, 2024, is continued. A telephonic conference with counsel will be held before the undersigned magistrate judge at 9:30 a.m. on July 1, 2024 to discuss setting any pretrial motion hearing needed, a change of plea hearing, or the date of the jury trial and deadlines for disclosing experts as required under Rule 16. Counsel for all parties shall use the conferencing instructions provided by the court to participate in the call.
- 4) The Court finds that the ends of justice served by granting the motion to continue outweigh the interests of the public and the defendants in a speedy trial, and the additional time arising as a result of the granting of the motion, the time between today's date and July 1, 2024 shall be deemed excludable time in any computation of time under the requirements of the Speedy Trial Act, because although counsel have been duly diligent, additional time is needed to adequately prepare this case for trial and failing to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(1) & (h)(7). Failing to timely object to this order as provided under this court's local rules will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act.

Dated this 10<sup>th</sup> day of June, 2024.
